COMPETITION!

BEST RECYCLED PLASTICS PRODUCT

Do you manufacture products made of 100% recycled plastics?

Would you like all South Africans to know about your products and their environmental advantages?

Will your product be the winner?

SAPRO and the Enviromark would like to promote your product and increase the request for recycle.

Entries now open to all South African plastics recyclers and converters

Get your entry and criteria form:

SAPRO – annabe@absamail.co.za or PFSA – douw.steyn@plafed.co.za

Closing date: 20 August 2010

Winners will receive publicity and a plaque as a visible display of their success.

National winners will be announced at a special function at the offices of The Plastics Federation of SA, Midrand on

Recycling Day South Africa – 17 September 2010
